**Re: Metcalf v. TransPerfect Translations Int'l, Inc., No. 1:19-cv-10104-ER-KHP**

Dear Judge Parker,

This morning our office filed the below-referenced documents on the Court's CM/ECF system. A request to seal documents 241-1 and 243-2 was made in error during that process. The ECF Clerk informed us that an 'internal' seal was placed on these documents and directed us to email Your Honor's chambers to request that the seals on ECF No. 241-1 and 243-2 be lifted. The documents were correctly filed on the docket, publicly, in accordance with ECF Filing Rule 21.7 and do not need to be under seal.

We apologize for any inconvenience, and we thank Your Honor for your continued attention to this matter.

Respectfully submitted,

By: /s/ Jeremiah Frei-Pearson
